Subject: Supplier recommendation

One of the benefits of being at the preferred level of performance in the Denport TCO rating program is the opportunity for any new business within BCS as well as verbal recommendation to other Lucent business units and to our key suppliers which use the type of products provided by them.

I would like to ask that C-MAC consider adding Far East Enterprises, Inc. to your bid list for current and any future bare board requirements. Far East has been a supplier to the Denver Works for almost four years now and their level of performance has been excellent. I highly recommend them to you and hope you will give them an opportunity to demonstrate their capabilities to you.

Their address is 176 East Main Street, Suite 6, Westborough, MA 01581. The contact is Mr. Scott Miller at (508) 366-6400.

Thanks in advance for your consideration of this request.

Sincerely,

*Brad*
